SPRING LAUNCH FORM – 2025

CUSTOMER NAME: _____ DATE LAUNCH FORM RECEIVED _____

BOAT MAKE & MODEL _____ PHONE # _____

REQUESTED LAUNCH DATE: _____ ICE OUT _____ MEMORIAL DAY
DATE REQUESTED _____

WCYC BOARD OF GOVERNORS IS REQUIRING A COPY OF BOAT INSURANCE AND REGISTRATION BE PROVIDED BEFORE SPRING START UP/LAUNCH. MINIMUM 2 WEEK NOTICED REQUIRED FOR ALL SPRING LAUNCHES.

WCYC Marine Service would like to remind all boat storage customers that spring startup & launch is included in your winter storage agreement with us. Spring startup includes the following;

- Inspection of bellows for cracks and dry rot (these are the flexible black rubber gaskets that prevent water penetration around the exhaust, cables, and u joints).
- Check battery health (CGA & voltage) and reconnect. There is a fee to charge battery
- Summerize engine by installing all engine drain plugs, check all fluids, and start engine
- Verify cooling system is functioning
- Install hull plug & make sure boat floats properly
- Safety devices are checked; blower, bilge pump, horn, and lights
- Boats will receive a basic rinse to remove dust & dirt from the winter storage season

The following items are NOT included with your spring start up; PLEASE CHECK ANY REQUESTS

- Fill up boat w/ gas (Recommended), must have credit card on file that is current
- Engine water pump impeller replacement (highly recommended yearly)
- Engine tune-up (recommended every years or two in the spring)
- Charge battery completely
- Replace water separator/fuel filter (recommended every spring)
- Engine oil & filter change (typically done in the fall before storage)
- Zinc Anode replacement (recommended every few years when worn)
- Exterior Detail (wash, buff, wax) – Mobile Detailing Co.
- Interior Detail (wash, windows, carpets, seats, storage areas) – Mobile Detailing Co.
- Boat canvas wash & water proofing
- Check expiration date on fire extinguisher (will be replaced if expired)
- Additional Requests: _____
