Address (Off-Season) _____

Are you an island resident? **No / Yes** Island Name? _____

Boat Information (if applicable, or you have a goal):

- Make / Model _____

- Length _____

NOTE – There are boat size limitations:

- o Valet - max powerboat length is 26' including most pontoon boats, bowriders, and sport boats. Heavier boats(such as boats with cabins or twin engines may be too heavy for our tractor).
- o Mooring - max sailboat is 30' for our moorings. Max powerboat is 26' (above considerations apply).

Our dock spaces are limited and rarely become available. There is a long waiting list for docks and it is unlikely you will get one in your lifetime. Therefore, we are only offering moorings or valet. A mooring spot requires a 5-year commitment unless you leave the Club. How would you like to store your boat during the summer?
